VER: 00-04-26

Fire Hose Reel Station

Reliable First-Response Firefighting

Engineered to the highest standards for industrial and hazardous areas. Compliant with fire department and Aramco requirements, ensuring rapid access and dependable performance in refineries, petrochemical plants, and high-risk facilities.

Sleek & Functional Design

- ❖ Custom enclosure with lift-up cover for protection and easy access
- ❖ Rotating steel top cover for smooth hose deployment
- ❖ Water supply from domestic or fire-water mains

Durable Hose Reel & Hose

- ❖ Heavy-duty hose reel with manual rewind
- ❖ Non-collapsible hose: 15 m, 30 m, or 38 m
- ❖ High-performance nozzle: fixed (225 LPM / 60 GPM) or adjustable flow

Foam Ready

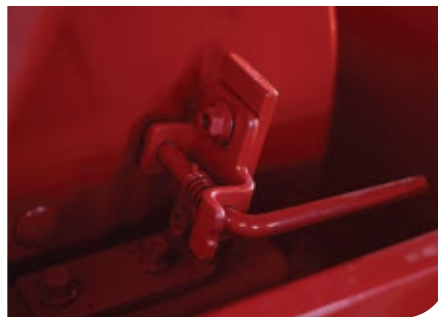

- ❖ Optional foam educator with adjustable proportioning
- ❖ Foam piping with drain valve and refill connection
- ❖ Optional foam supply tanks integrate seamlessly

Built to Last

- ❖ Fasteners: galvanized or stainless steel
- ❖ Enclosure: grit blasted, primer + RAL 3000 red enamel, or epoxy protection
- ❖ Designed for long-term durability in harsh environments

Dependable Performance

A highly robust and versatile firefighting solution, engineered with advanced design, crafted from superior materials, and equipped with practical, user-friendly features to ensure fast, reliable, and effective fire suppression exactly when it matters most.

* The above specifications are for reference only; the actual product can be customized to meet customer requirements.
